Old business

- Picture day

We took in \$993 on cards and made \$1378.41 all together. All hoodies were sold early in the day and most kids t shirts sold as well. Everyone loved the hats and had requests for more designs and to order more for future games.

- Board member positions

Kayla K is planning to step away from the board. Nominations will take place next board meeting and votes will be during the November board meeting.

Spoke with Carrie about lack of help and the need to see her be at more events helping as a board member. Went over 75% participation in order to stay a part of the board.

We have 3 large dates:

Draft, picture day, and tournament. All board members need to work a minimum of 2 of these. When you sign up to set up fields you are also signing up to set up concessions.
