 -

We had a situation arise with one of our U14 players before the season even began. Mom called Chris one morning to let her know of the situation and say that the kid would no longer like to play for our club on the U14 team. The situation was handled appropriately by our U14 coaches once they were informed of the problem but mom refused to have the child try and rejoin in on practices. The board is to vote on whether we will give mom a refund on the 1 payment that was made previously and if we will pursue any further payment for the rest of the season. There is a statement in our original sign ups that states we do not issue refunds for any reason, even injury.

Do we give her a refund of \$10.99 or \$35

Vote for refund:

\$35- 0

\$10.99- 1

\$0- 5

Vote on further payment:

Unanimous vote in favor to wave the \$150 she had not paid yet.

IYSA paper work is almost done

Concessions- no concessions 4/18 due to many board members not being able to be present that day.

Nalia is going to start painting fields this week.

Look at goals before all games

Get a wagon for benches for field set up and take down

Meeting adjourned 7:57 pm

Next meeting May 4th
